KLUDI MIX

The classic with the highest functionality

KLUDI MIX is back – the proven all-rounder has been guaranteeing first-class functionality on kitchen sinks for over 30 years and embodies the excellent manufacturing quality of our kitchen fittings. With its gentle curves and straight lines, KLUDI MIX is a modern design classic, outlasting fads and fashions. Perfectly

tailored for your everyday kitchen work, the fitting offers you many different features like the multi-connection, the pull-out spout or bayonet function, and is available with both closed and open levers. To minimise the time it takes you to install the fitting, we equipped the KLUDI MIX with all of the EASY-FIT features.

KITCHEN COMPETENCE

Single lever kitchen sink mixer DN 15
329040575

Just the way you need it – compact and convenient in fitted kitchens or an elegant eye-catcher on kitchen islands.

DETAILS

360° flexibility with the fixed spout version, thanks to the swivel spout.

Maximum freedom of movement for convenient filling of tall vessels.

Available with a pull-out hand spray from spring 2022.
