Novelty

Accessories Collections

There are many specific items with important functions in the everyday bathroom experience

Key Benefits

Styles. Innovative design in different styles and finishes.

Versatility. Wide range of products with deck-mounted and wall-mounted models.

Dual installation. Installation kit with screws or adhesive included.

Quality. High-quality and long-lasting materials.

Stability. Stable against abrasive products, extreme temperatures, and UV light.

Resistance. Wall-hung items withstand loads of up to 5 kg.

Quick fix system. Swift and easy installation.

Sustainable. Designed with recyclable materials, packaged, and produced with minimum environmental impact.

Evershine. Long-lasting and polished chrome plating.

Easy to clean. No specific products are required for maintenance.

Finishes

PVD Finishes. With a physical particle vaporization process that ensures an elegant, even, and scratch-resistant finish.

Painted finishes. With highly resistant polyester resins and pigments that maintain colour permanently.

Accessories are key components for a complete bathroom space. From wall-hung robe hooks to freestanding toilet roll holders or on countertop soap dishes, there are many specific items with important functions in the everyday bathroom experience. Different collections offer a variety of designs including metallic or colour finishes and embrace new materials such as wood, felt and cork, bringing a warm and tactile element to the bathroom space.

Specific Uses

Designing products with all users in mind, both for public and private spaces is an integral part of Roca's mission. Using the Clear Code Architecture® method designed by PMMT architecture studio, Roca can improve certain designs to fit universal accessibility guidelines. Beyond products, the Roca App builds more connections between users and products and creates greater user satisfaction. More knowledge about water use, energy consumption, maintenance and installation gives users peace of mind.

Designing products with all users in mind is an integral part of Roca's mission

Key Benefits

Accessibility

Security. Anti-slip and electrical insulating materials along with robust installation systems guarantee perfect attachment and maximum security.

Certified quality. Products subjected to rigorous approval processes to meet the highest safety and resistance standards.

Durability. Maximum resistance to corrosion, cleaning products, and wear and tear.

Communities

Water savings. Extensive catalogue of electronic and push-button basin mixer that can be adapted to different styles and needs.

Cut to size. Washbasins designed in Surfex® that can be adapted to different size and design requirements.

Resistance. High-quality materials that guarantee the durability and perfect condition of the products, even considering wear and tear.
