

KLUDI-PUSHTRONIC

The ultimate smart living

PRESS AND TURN

With KLUDI-PUSHTRONIC, two consumers can be controlled individually – simply, conveniently, intuitively.

Water Volume

- Push to switch on and off the consumers (e.g. hand shower and overhead shower) – both consumers can also run at the same time
- Endless turning in both directions to regulate the water volume

Water temperature

- Endless rotation in both directions to set the desired temperature

- Environmentally friendly and resource-saving: water volume and temperature are preset to a flow rate of 8 liters/minute or 35° C.
- Safe: A temperature lock limits the maximum temperature to 44° C.
- Intelligently networked: Integration into the home WLAN additionally enables control via app with further useful functions (e.g. warm-up, child safety lock, cleaning rinses).
- Economical and ecological: The app keeps water and energy consumption under control.

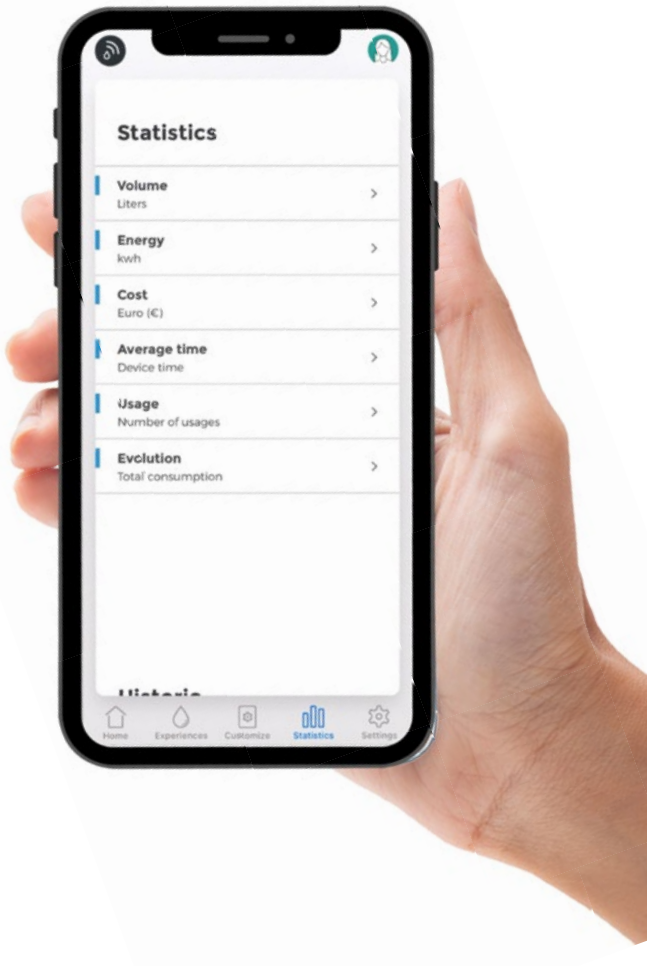

DIGITAL LIFESTYLE FOR THE MODERN BATHROOM

KLUDI-PUSHTRONIC is an extremely flat masterpiece that is operated like a high-quality luxury fitting. At the same time, the fitting has all the advantages of an electronically controlled thermostatic fitting, right up to operation via smartphone or tablet. KLUDI-PUSHTRONIC enable two elements in the shower to be controlled digitally with knobs that can be completely retracted. Integrating the system into the home wireless network additionally allows it to be controlled using the S-FLOW App, which also offers other useful functions and consumption statistics that will allow you to check your energy and water saving.

Download the S-FLOW App to customize your wellness experience.

What the S-FLOW App can do:

- Switch on and off
- Control the water quantity and temperature separately for each element
- Pre-heat function
- Set the temperature lock
- Configure a child safety lock
- Maintenance functions (e.g. anti-legionella, cleaning program)
- Display various consumption values (usage, water volume, energy consumption, etc.)
- Intuitive user interface
- Available free of charge for Android and iOS devices
